Website:

SUMMARY

Driven biomedical researcher with a robust foundation in the life sciences and a focused interest in microbiology, immunology, and molecular biology. Proven expertise in designing complex physiological and toxicological studies, coupled with advanced proficiency in statistical data analysis and academic writing. A dynamic educator and collaborative project manager with a track record of driving research from hypothesis to successful publication. I am actively seeking a PhD opportunity to leverage my analytical rigor and scientific leadership toward high-impact discoveries in global biomedicine.

EDUCATION AND TRAINING

Master of Philosophy in Zoology (MPhil)

University of Gujrat, Hafiz Hayat Campus, Pakistan [Nov/2022 – Dec/2024]

Final grade: CGPA: **3.89 / 4 (83%)**

Thesis: Effect of *Cichorium Intybus* L. Leaf Extract on Blood Profile, Gut Microbiota and Histopathology of Intestine of Male Rabbit

Bachelor of Education (B.Ed.)

Allama Iqbal Open University, Pakistan [Sep/2020 – Oct/2022]

Bachelor of Science in Zoology (BS)

University of Gujrat, Hafiz Hayat Campus, Pakistan [Sep/2016– Oct/2020]

PROJECTS (Academic & Research Experience)

Lead Researcher: *Cichorium intybus* Leaf Extract Study (MPhil) | 2022 – 2024

Research Assistant (2022-2024)

Dose- and Time-Dependent Biphasic Modulation of Physiological Responses by Poppy Seed Supplementation in Rabbits (Under review)

[Department of Zoology, University of Gujrat, Pakistan, 14/03/2024 – 10/01/2025]

Research Assistant (2022-2024)

Dual Benefits of Garlic Essential Oil: Superior Individual Efficacy and Enhanced Synergism with Ginger Essential Oil in Improving Growth, Liver Redox Activity, and Immunity in Rabbits (Under review)

[Department of Zoology, University of Gujrat, Pakistan, 14/03/2024 – 10/01/2025]

TECHNICAL & LABORATORY SKILLS

In Vivo Expertise: Advanced handling, surgical dosing, and ethical longitudinal monitoring of rabbit and murine models.

Laboratory & Assays: Hematological & biochemical profiling, ELISA, quantitative histomorphometry (ImageJ), microbial isolation, culturing and identification, bio-risk (Level-2) mitigation, mass spectrophotometry, FTIR, UV-vis spectroscopy, GC-MS, HPLC, Gel-electrophoresis, DNA& RNA extraction, RNA-seq, PCR, enzyme kinetics chromatography, gram staining, microscopy, microbial antioxidant assays, microtomy, histology, extraction and isolation of seeds.

Biostatistics & Computational: Expert proficiency in SPSS, Statistix and Python for complex modeling (Linear Mixed Models, Two-Way ANOVA) and data validation. Other includes Endnote, Mendeley, Microsoft Office, and ArcGIS.

Scientific Communication: Advanced scientific data visualization and publication-ready figure preparation utilizing Canva.

PROFESSIONAL EXPERIENCE

Research Assistant

Laboratory of Hematology and Immunology, Department of Zoology,
University of Gujrat

Jan 2024 - Present

- Deliver research-informed lectures in zoology, integrating theoretical concepts with laboratory and experimental applications.
- Supervise undergraduate research projects, guiding students in experimental design, data analysis, and scientific writing.
- Train students in advanced laboratory techniques including Spectrophotometric methods, PCR, ELISA, Histomorphometry, Microbial and Biochemical analysis.
- Assist in ongoing laboratory research, contributing to experimental studies and data interpretation.

Visiting Lecturer

Govt. High School M.C. No. 13, Gujranwala

Jan 2024 - May 2024

- Delivered engaging lectures in science and supported academic development.
- Guided students in research projects and assignments to enhance critical thinking.
- Evaluated student performance through assessments and interactive discussions.

Senior Coordinator

Allied School Shadiwal Campus, Gujrat

Jan 2021 - 2022

- Supervised and coordinated academic and administrative activities to ensure smooth operations.
- Provided leadership and guidance to faculty, promoting effective teaching practices.
- Monitored student progress and implemented strategies to enhance academic performance.

Subject Teacher

Aims Academy, Gujrat

April 2020 - Jun 2021

- Delivered comprehensive lessons, fostering understanding and interest in the subject matter.
- Designed and implemented effective teaching strategies tailored to diverse learning needs.
- Assessed student performance and provided constructive feedback to encourage improvement.

Scientific Content Writer

Online on Fiver

Jun 2019- Dec 2020

- Skilled in creating engaging and accurate scientific content for diverse audiences.
- Experienced in simplifying complex topics into clear articles, reports, and educational materials.
- Proficient in research, data analysis, and aligning content with current scientific trends.

PUBLICATIONS

Morphology in Rabbits (**First Author**)

LANGUAGE SKILLS

English: Proficient (IELTS academic 7.5)

Urdu / Punjabi: Native/Bilingual

HONORS AND AWARDS

Gold Medalist in MPhil Zoology

[University of Gujrat, Hafiz Hayat Campus, Pakistan, 2022-2024]

2nd Position Holder in Exhibition on Insect Ecology and Bio-waste management

[University of Gujrat, Hafiz Hayat Campus, Pakistan, 12/02/2023]

HONORS AND AWARDS

MCE Webinar on Making Cell Therapy Affordable and Accessible: Off-the-Shelf CAR yδT Cells Generated Using CRISPR/AAV

[Virtual Mode, The Ohio State University, 22/10/2025]

Honor Certificate as Scholar Council Member

[ETERNO PRESS, 14/08/2025-31/12/2025]

International Webinar to Combat Human Malnutrition

[Hybrid Mode, Organized by University of Layyah Pakistan, HARRAN ÜNİVERSİTESİ Turkey, 12/01/2024]

Certificate of Participation in Thesis Poster Presentation Competition

[University of Gujrat, Hafiz Hayat Campus, Pakistan 2024]

Participant at 2nd International conference of Sciences

[Rawalpindi Women University, Pakistan, 15/11/2023]

Participant in seminar on Molecular Genetic Landscape of Oculocutaneous Albinism

[Department of Zoology, University of Gujrat, Hafiz Hayat Campus, Pakistan, 20/12/2022]

Certificate of Appreciation in Webinar on Water Conservation

[Active Citizenship Project by British Council, 12/04/2021]

TECHNICAL COMPETENCIES & TRAINING

Training on Bio-risk management

[Molecular Biology Lab, University of Gujrat, Hafiz Hayat Campus, Pakistan, 15/02/2023-16/02/2023]

Let's Break the Chain of COVID-19 Infection

[Mohammed Bin Rashid University of Medicine and Health Sciences, UAE, 19/04/2020]

E-commerce and Marketing Strategy

[Online from Onion.pk, Pakistan, 22/03/2024]

REFEREES

1. Associate Professor (Supervisor)

Name: Dr. Razia Iqbal Jafri

Phone number: (+92) 3338422798

Email: razia.iqbal@uog.edu.pk

Department of Zoology, University of Gujrat, Pakistan

2. Associate Professor

Name: Dr. Kiran Aftab
